PRIVATE DINING & PERSONAL SERVICE

The pleasure of being looked after.

Your private chef prepares daily meals, with menus and grocery arrangements discussed with the household team. Gather over breakfast, enjoy veranda dining, or share dinner together after a day at Tryall.

Your household team: Butler, assistant butler, private chef, housekeeper, laundress, and gardener.

A chef's kitchen, generous living and dining spaces, a game lounge, and thoughtful in-room comforts support time together and quiet moments of your own.
